Staying Alive

Dear 41 Family

At the onset, seasons` Greeting !
Hope the festival brings you all love,
health and wealth you wish for.
Indeed it's the long awaiting Selfie
which is for perusal for you all.

Many are still now aware of
Selfieonline.in the website
dedicated to all the activities of you
or your club be it fellowship, Social,
Projects, SYJ, FTDE or the meeting.
This is something new brought in for
you to cover your activity within
hours, the beauty of this site is you
can register and then login and start
posting your activity post the
approval of editor.

The selfieonline.in will definitely will
motivate fellow 41er`s to show what
they been doing and giving them
enough space for their activities to
be shown be it form of Photograph

or Video.

As promised this is something new
in time and apart from this we have
our monthly magazine Selfie which
definitely be there covering the
broad spectrum on the area,
national or international front.

I also would like to thank each and
every one of you for giving me a
chance to work as an Editor by
casting your votes.

Hope you send me your articles,
post, activities or your passion on
time to be covered in either or both
platforms.

You can reach me at 98271 59000 or
sum23in@yahoo.com

2023-24

Dear 41er Friends

Shubh Dipawali and warm greetings to you and your family. Trust this finds you and your family at the best of your health and spirits

With deep gratitude I took over as your President of 41 India and Association of 41 Clubs of India for the year 2023-24 at the NAGM in Kolkata on September 16, 2023. As the 44th President of the organization and 41st 41ers to do so, I thank all the previous Presidents and their boards for their commitment & work to bring the organization to the current stage. It's been a journey for our organisation. And a great place to be in for my National Board team Together Forever and we are excited at the opportunity to serve you and the communities we work with. We carry forward the wonderful legacy and build on their good work. Truly inspired with this opportunity

The NAGM Kolkata team led by convenor Raja Shah put together an excellent event where we all could meet and enjoy the fellowship. 41ers, Tangents, ladies & children turned up in one of the highest ever numbers. Team Khela Hobe - take a bow

My theme for the year is **TOGETHER FOREVER**. We Make It Happen TOGETHER, We Make It Matter FOREVER. The bonds of friendship we built during our tabling

days, we nurture and grow through our 41ng days. We are in this together for life. The spirit is as strong and vibrant, the expression may have changed a wee bit. So let's raise a toast to our lifelong friendship

Goals for the year

Fellowship: Build on the strength of the fellowship. We are looking at new ways of intra-area, inter-area fellowships. Additionally Howzatt, MTMs, FAMIT, HYMs, online/offline events would give us many opportunities for fellowship.

Extension: Be the organisation of choice for retiring 41ers. Work towards strengthening the existing clubs of senior members.

Community Service: As Tablers many of us grew doing Service through Fellowship. With more & younger square legs joining us, there is a continued spirit to serve the society. Serving those in need through the tabling fraternity is a great way of achieving twin goals of supporting the table as well as serving the society. We look to lead this with Freedom Through Digital Education & Share Your Joy initiatives.

Strengthening the Organisation: Creating a digital backbone and addressing multiple needs of the 2 organization structure in its infancy.

You can see the videos I presented at the NAGM:

Happy to present key activity updates since Sept 17, '23

80G certification received for Association of 41 Clubs of India. We have applied for MCA registration to enable us to raise corporate CSR

funds. We have started receiving funds. I urge you start contributing to our 80G body Association of 41 Clubs of India, enable us execute projects while taking tax benefits as eligible

New Club Charter.

Club 55 of Coimbatore, Area 1 is the 1st new club charter of the year. We welcomed 7 young square legs as our members with Badri as the chairman. I thank AC1 Chakra, IPAC A1 Vishal and Sponsor club 162 Chairman Vijay for this early charter to propel more member additions

FTDE

Vendor identifications, Specs finalisation, Closure of commercial terms. We now have Digital smart

class room packages from Rs 38,000 to Rs 1.22 lakhs to choose from.

We have 3 approved FTDE vendors offering class 1-10 syllabus in Hindi, Punjabi, Bangla, Oriya, Gujarati, Marathi, Kannada, Telugu. In TN & Kerala, we have to use the government provided software on YouTube. In all we can now serve 15 states in 9 languages. . Looking to cover more states/languages

FTDE Convenor 41 Anuurag Mehraa has led vendor identification, discussions & finalisation of product specs for the initiative. He along with NVP 41er

Pankuj Vats, NS 41er Pompy, 41er NT Madhubabu and IRO 41er Vivek Mata formed a committee to have discussions and sign off on commercial terms with all the vendors

MOUs are being drawn up for sign offs. Roll out will begin immediately thereafter

SYJ

41ers are encouraged to Share their Joy on occasion of birthdays, marriage and anniversaries in their family. Small or big, its about sharing.

Clubs across the country are doing

a free meal distribution program. At the forefront are Area 4 Chairman 41er Kumar Ruparelia, Surat Club 104 and Delhi 41 Clubs. Project Drishti to be rolled across the country. It will help us check the power in the school going children in FTE/Government schools. Where required the children will be given spectacles free of cost. AC6 41er Gaurav Khemka is spearheading this initiative.

The toilet block project in association with 24x7 foundation has been piloted and we are looking forward to its extension across TN and Karnataka.

Fellowships

Dates & venue for Howzatt, MTMs, NEX, Famit have been finalized and announced pre-NAGM to ensure max attendance.

Famit Convenor Vishal is leading the first inter-Area fellowship at Thrissur on Nov 4 & 5 between A1 and A8. This is a new introduction and we wish to see this happen across other areas soon.

Chairman Area 1 Chakra, our own

Iron Man is leading the 1st trek of the year at Medanad Estate on Oct 28, '23. This is the 2nd edition he is leading.

Launch of new member kit:

At the first Charter of the year in Coimbatore, NC Extension Satya unveiled the new member kit comprising a welcome letter by President, personalized T-shirt, Banner, Pin, Tie & Pocket Square in a beautiful box packaging. Idea is to present new members a kit they would be proud to receive & use

AEx meets and Jewel Change:

Area 1, 2, 3, 4, 5, 6, 7 & 10 had their AEx meet and Jewel change. This is the first time so many Areas had this event where Area board members and floor

41ers of the Area get to meet early in the year to plan their activities apart from enjoying a fun filled high on energy fellowship.

I had the opportunity to attend the events of A1, A3, A5 & A10. At Area 10, it was also celebrating bi

th of a new Area with Kiran as the Charter Chairman of Area 10

HYM Cyprus

India was well represented at the 41 International Half Yearly Meet (HYM) in Cyprus. 11 of us - 41 International VP elect Dr 41er Sid with Tangent Lakshmi, Tangent India President Nalini Prasad with 41er Savana Prasad IRO 41er Vivek Mata with Tangent Sangeeta, Webmaster 41er Giri with wife Tej, Convenor Extension 41er Satya with Anita and myself.

We actively participated in all workshops and voiced the opinion of India. 41er Sid conducted a workshop on Succession Planning which was well attended. IRO Vivek attended the Golden Stomach and the YAP Convenors meet to chart out YAPs tours of 2024. 41 India played a crucial role to include Nepal in YAPs tour and also succeeded in increasing the YAP tour fee for the 2nd consecutive year. Dr Sid, Vivek, Nalini and self represented India at the banner exchange event.

I had the opportunity and the platform to exchange views with 41 International President Barry and

his board. The board is appreciative of the work in India and our plans to strengthen the 41 movement esp to make 41 India the most preferred destination for the retiring tablers. We missed Tangent International President Jayashree who couldn't travel to Cyprus due to health issues

We all attended pre-tours which gave us an opportunity to explore the beautiful island country of Cyprus. Evening theme parties enabled us to meet & bond with 41ers from many countries. Convenor Georg and team put together a fabulous event and won over the hearts of all. IRO Vivek needs special mention for the

coordination between India and organizing team of Cyprus

Visit to the Secretariat

NT 41er Madhu Babu, Immediate Past NT 41er Gopa Kumar and myself met at the Secretariat on Sept 25, signing off on accounts handover documents.

It was a smooth process and work of IPNT 41er Gopa in streamlining

accounts and application of 80G has been appreciated. We also met up with our Auditor and discussed a wide range of topics. Other activities include stock taking, roles and responsibilities of secretariat staff, process of various activities.

Finance Audit Legal Advisory Committee (FALAC)

The team includes Chairman 41er Deepak Bajaj, Independent members 41er Kapilesh Manglik & 41er PP Chettiar, Board representatives NVP 41er Pankuj Vats and NT 41er Madhubabu. This apart there are 2 permanent invitees Rules Convenor 41er Inder Anam and immediate past NT 41r Gopa Kumar. They are working on various matters referred to them for advice apart from drawing out MOUs with various vendors.

School Inauguration:

I had the pleasure of attending the inauguration of an awesome FTE project. BRT2, LC56 along with

Club 254 and tangent 37 inaugurated 6 classrooms and a toilet block each for boys and girls at Prathmik Ashramshala, Manor, near Mumbai.

These classrooms will help 250 odd students of std 1 to std 6 gain access to better facilities.

Additionally RO water purifier plant is also installed for providing filtered drinking water in the premises. Special thanks to 41er Viral Kedia and 41er Girish Mandania for their relentless energy & focus for the FTE projects and donors 41er Neeraj, 41er Mahesh Iyer and 41er Ashish Jajodia.

Selfie Online

Editor Sumeet promised instant updation of 41 activities to the floor members. He has delivered on it and how !! News served hot and instantly. Selfie online has been a great new addition to communication tools to keep the

floor informed. We continue to maintain presence on other social media tools esp FB

Mumbai Meets

The all Mumbai 41 Club meet in Mumbai on Oct 8 was a well attended event. All but 1 club attended the get together. PP 41er Rajiv Mehra and Past Tangent President Bijal Kalbag, Past ACs, national board members attended the meet

Navratri are special in Mumbai - colors, energy, fun and friends. I had the pleasure of meeting 41ers while attending Garba/Dandiya events and visiting Durga Pandals in Mumbai.

RT Family

It would be my endeavor to strengthen ties and work closely with all members of the RT family in India. I have had an opportunity to meet & speak with RT & LC India

Presidents and look to opportunities to work closely with Tangent India President Nalini Prasad. In all, it has been action packed 5 weeks. I thank members of my board Together Forever who have actively participated & supported me on initiatives, thoughts, ideas and more importantly bring them to action.

We work with trust & transparency, solve problems at hand and more importantly have fun along the way. Its been an exercise in learning and delivering. Made new friends across the country & overseas

welcome your ideas, comments and suggestions. Equally urge you to contribute & take benefits of 80G Wishing you all a Happy & Prosperous Deepawali

Thanks and best regards

41er Srini, President 23-24

Down The Memory Lane

41ER B K. SINGH DEO
PRESIDENT 22-23 AND IPP 23-24
41 INDIA
&
ASSOCIATION OF 41 CLUBS OF INDIA

My dear Friends in our 41 family,

Greetings.

My term as your President came to an end at the memorable NAGM at Kolkata KHELA HOBE. I cannot find enough words to thank the NAGM TEAM led ably by Raja Shah along with Archana and Rajeev Barma, Bhupender and Neetu Sabharwal, Hitesh and Bindu Dani, Michael Rao, Deep and Joey Bose, Manoj Kedia, Nirmal and Shalini Agarwal, Vikram Poddar, Anil Chaudhury, Gurkirat and Kamal Ahluwalia and Deven and Beena Shah, I thank all of you from the bottom of my heart for your support, without which such a successful event could not have been possible. I could not have hoped for such a gift at the end of my term.

I am grateful to all 41ers and their families for giving me an opportunity to serve them along with members of the NEX for the year 2022-23. I am indebted to each and every member of the NEX for being by my side in our quest of FRIENDS FOR LIFE. I will always cherish the fond memories of the year gone by. I thank my wife Jyoti for all her support and being with me all along. Let's go down memory lane.

Fellowship continues to be our basis. It was a Blessing for Jyoti and me to travel the length and breadth of the country to be with you all. We will never forget the love, affection and hospitality that we received from all of you. God Bless you all.

We were able to cover more than 1.10 lakh kilometers in more than 180 days to be with you all.

Howzaat Inter Area Cricket Tournament held at Bhubaneswar in November 2022 was a runaway success and a toast of the country.

We had 8 wonderful Mid Term Meets in the 8 Areas, one better than the other culminating in a wonderful time at Guwahati.

Two FAMITS were held along with the MTMs of Area 1 and 6.

Many signature events were held in many centers. There were 6 meaningful Board meetings (including one online) during the year.

YAPS – Young Ambassadors Programme continues to be our Flagship project. We had two inbound teams which covered North and South India and the YAP members got an insight of our country, its beauty, culture, heritage, history, had a wonderful time and went back to their country thoroughly enriched.

The involvement of all to make the YAPS inbound programmes a runaway success is noteworthy.

There were 5 outbound trips - Europe North, Europe South, Europe Central, GB and I and South Africa, where the children visited and have come back richer in knowledge and experience and above all had a rollicking time.

YAPS seats for outbound trips have gone up to 32 and the YAPS fees have been raised to 630 Euros per participant.

Freedom Through Digital Education – (FTDe) has taken off and funds for 40 projects have been raised and executed with support from P L

Mohanty of Managovind Charitable Trust as well as Narendra Mehta Trust (through BRT – 2 Trust). All were supplied by our approved vendor Moinee Foundation and the impact on the children has been tremendous. All projects have been executed jointly by 41 Clubs with Round Table, LC India and Tangent India in keeping with our Aims and Objects and our goal of 4 Associations – One family.

Funds were raised in spite of the fact that 80 G exemption was not available.

103 Star Medallions have been sold resulting in collection of Rs. 5.15 Lakhs which have used for FTDe projects.

Share Your Joy (SYJ) Projects are becoming increasing popular. This year we have been able to give Matching grant of Rs. 50000/- each to about 24 projects.

41 India has Project Crimson which creates awareness on Menstrual Hygiene and distribution of biodegradable sanitary napkins, This is a 41 Clubs project which is being executed through Tangent India.

Focus was given to Extension. 14 New Clubs have been chartered and 240 New members have been added. We now have 261 active clubs.

104 members have been added from 01.07.2023 to 31.08.2023.

Nagpur has again become a 41 center. 14 charter members joined Club 145 at an impressive ceremony.

Area 7 saw the highest number of charters during the year – 4 along with the highest number of members added in the year – 41.

The highest number of members inducted into a club other than charter is 11 and the honours go to Club 217 Kolkata.

The highest number of charters at a single center goes to Hyderabad with 3 charters.

Total number of members stands at 3632 as on 31st August 2023. We mourn the passing away

of 14 members who have left for their Heavenly Abode in 2022-23.

An Extension Manual is available on the website.

Financial systems have been put in place. The Treasurer's report is very comprehensive, exhaustive and clear, which is bound to make the task of future Treasurer's easy.

All IT returns have been filed and the icing on the cake is that we have received the 80 G Exemption certificate which will open the floodgates for CSR funds and projects.

After discussions, the Mutual Funds were redeemed and put in FDs resulting in higher interest. The expiring FDs have also been shifted to earn higher rates of interest.

More funds will therefore be available in the Society accounts so that more projects can be undertaken.

The corpus in our Society account stands at more than 3 crores.

A lot of work has gone into the revamping of the website which is now very user friendly with a host of useful features. We were facing hurdles trying to incorporate additions/ improvements to the website. After examining many written offers, we zeroed in on a vendor headed by Avidant Bhagat, son of 41er Samir Bhagat of Hyderabad who had developed the website for Tangent India. The result is there to see. More than 1500 members have registered for using the website, which is a wonderful achievement. The website has links to the sites of 41 International, Round Table India, LC India and Tangent India.

Features on the website like Birthdays and Anniversaries are very popular. One can open a Whatsapp chat from the website; one can import contacts as well as talk to a mobile number.

An automated message in the name of the Secretary goes out at 5 am to members and their spouses, on behalf of the NEX wishing members and their spouses on their birthdays and anniversaries Greetings on Birthdays and

Anniversaries have been received very well by the members and their spouse, as their responses show.

All the above are available on the mobile phones with the click of an icon.

Payment and submission of Form A and B have been simplified and a Payment Gateway is available and functioning. Payment Gateway facilities will soon be available for Supply House items.

AAF payments and submission of A and B Forms were done in record time.

YAPS application has gone online and soon other forms like New Charter application, New member application will go online.

Our 41 family has taken great strides on the International front

Your President, along with the IRO had the honour of leading one of the largest contingent in recent times to the 41 International AGM at Stratford Upon Avon, UK.

Dr. V. Siddharthan of Salem Club 32 has won the election for 41 International VP elect and will take over in May 2024 as Vice President 41 International.

Jayashree Chaudhry of Tangent International has done us all proud by adorning the office of President Tangent International

India has won the bid for hosting the 41 International HYM in October 2025.

After 4 glorious years as the International Secretary, Gopal Chopra has laid down office.

41 BNB had been introduced whereby members can avail resorts, home stays etc belonging to 41ers.

An Insurance Desk was in place which has been of immense help to the members especially for claim settlement – the settle record being 100%,

All of you know by now what a memorable NAGM we had at Kolkata. A National level

Golf tournament was also being organized on 14th September 2023 at the RCGC Kolkata and was a big success

Registrations were to the tune of 390 with a lot of participation in pre and post tours.

Elections were held at the NAGM for the posts of Vice President, Secretary, Treasurer and Editor. 8 candidates were in the fray. Best Wishes to the winners, The others should not loose heart. They should take me as an example and bounce back.

It was very heartening to note that more and more members are now coming forward to take up responsibilities in our organization.

Our functioning of The Secretariat at Chennai has been streamlined and is manned by competent staff. Supply House continues to be profitable.

41 India members are registered with 41er world. Subscription of 41 International has been made on time.

The performance of the NEX members - Head Board, Area Chairman, Convenors, Special invitees and Permanent invitees has been exemplary. A lot of hard work has been put in. Bonding and camaraderie was of a very high order.

A movement which began as a means to keep the friendship acquired in Round Table alive has grown by leaps and bounds and has snowballed into being vibrant, meaningful and full of purpose.

We all believe in 4 Associations – one family – 41. RTI. LC India and Tangent India.

Communication with the floor was effective. Many methods have been used, like Mass mails and Mass Whatsapp messages.

Our in house Diigital magazine Selfie has been an effective mirror of our activities providing valuable and essential information to the members. With the enthusiasm of the new Editor, it is bound to achieve greater heights.

Innovative efforts like History of the Day and Histalgia have added to the flavour.

We worked closely with the Round Table India Foundation and are grateful to them for their advice and support. We appreciate the cooperation received from the RTIF staff at Chennai.

Nine 41ers were felicitated by RTIF for being major donors. A moment of pride indeed!

The Finance, Audit and Legal Advisory committee is doing a great job as per its terms of appointment and activity.

Rules have been streamlined and are available on the website.

We started with an age band of 40 +. Over the years this has become 41-90. We may be growing old, but are growing younger by heart, action and energy day by day.

Age is just a number. 41ers who are FRIENDS FOR LIFE are UNSTOPPABLE in their activities and are going FULL STEAM AHEAD. Congratulations to the outgoing Tangent President Ranjana Singh and her Board of 2022-23 for an excellent year of BELIEVE IN ANGELS. Our support to Tangent India always will be there. We consider them a part of us.

Congratulations and Best Wishes to incoming Tangent India President Nalini Prasad, her board of 2023-24 and all members of Tangent India for a meaningful, purposeful and eventful year ahead. Let's Bloom Together.

My congratulations and Best Wishes to my successor Srinivasu Sarawatula and his Board of 2023-24. I owe allegiance to the next President and request all of you to do the same so that the 41 movement marches ahead with flying colours and TOGETHER FOREVER. Once again I thank each and everyone of you for their support, cooperation, encouragement resulting in all of us becoming FRIENDS FOR LIFE. I remain with Best Wishes

LONG LIVE THE 41 MOVEMENT

YAP

Dear 41er Friends,
Wishing you all Seasons Greetings.

In today's interconnected world, the ancient Indian concept of "Vasudeva Kutumbakam" has

nurturing a sense of global community. These programs enable young people to travel, live, and engage with their peers from different parts of the world. They provide a platform for cross-cultural understanding, fostering empathy and promoting a shared sense of humanity. Here's why these programs are so important in the context of **Vasudeva Kutumbakam**:

Promoting Cross-Country Understanding: YAP breaks down the barriers of ignorance and stereotypes. When young people from diverse backgrounds come together, they learn to

taken on a profound significance. This Sanskrit phrase, which translates to "the world is one family," encapsulates the idea that we are all interconnected, regardless of nationality, race, or religion.

It promotes the idea that our collective well-being is deeply intertwined, and that we should strive for harmony, peace, and mutual understanding across borders. One of the most effective ways to actualize this noble concept is through YAP (Young Ambassadors Programme). YAP play a pivotal role in bridging cultural divides and

appreciate the richness of different cultures. This firsthand experience helps dispel prejudices and promotes a deeper understanding of global diversity

Building a Global Community: The world is more interconnected than ever, and it's crucial for the youth to recognize that their actions and decisions have a global impact. Cultural exchange programs foster a sense of global citizenship and a shared responsibility for the well-being of the entire world, in line with the ethos of Vasudeva Kutumbakam.

Preparation for Success: In a world where international collaboration is increasingly common, youth who have participated in cultural exchange programs are better equipped to thrive in diverse, multicultural environments. They develop skills in communication, adaptability, and problem-solving that are invaluable for their future careers.

Fostering Empathy and Understanding: Understanding and respecting cultural differences are essential components of empathy. Youth exchange programs encourage participants to put themselves in others' shoes, facilitating the development of empathy and compassion. This not only benefits the individuals involved but has a ripple effect on society at large.

Peace and Conflict Resolution: By fostering cross-cultural understanding and empathy, these programs can contribute to reducing tensions and conflicts on a global scale. The more people understand and appreciate each other's differences, the less likely they are to resort to violence as a means of resolving disputes. In a world where isolationism and division sometimes seem to be on the rise, YAP stand as beacons of hope and unity. They exemplify the principles of Vasudeva Kutumbakam, reminding us that we are all part of a global family. These programs offer a powerful means of nurturing the next generation of leaders who will be equipped not only with the skills and knowledge to succeed but also with the empathy

and understanding required to foster a more harmonious and interconnected world. By investing in such programs, we take a significant step toward realizing the profound wisdom contained in Vasudeva Kutumbakam and working towards a more peaceful and united world.

Friends, Promote your children with allowed age group to attend and explore a NEW WORLD of varied culture and be prompt in accepting in your abode the children from various creed & culture who comes to India under this programme comes to India, make their travel a lifelong memory. The children are our Ambassadors of countries and our future diplomats, business partners; cultural partners etc who can help our countries come closer. Travel with them is a great experience though it is not feasible for many of us.....but if we plan properly anything is possible. After hosting several times North India bound yappers in Delhi under the convenors, Yours truly is lucky enough to travel 21 days with the Inbound North India Yappers and experienced a different life with them and same goes with my daughter who travelled to GB & I as Yappers and experienced a new life while travelling with 41ers, tangents etc.

Thanks to all and have Shubh Deepawali.
41er Pankuj Vats
National Vice President

A Note : National Secretary

'KHELA HOBE' the superbly organized and well attended National AGM at Kolkata is over but the hangover remains till date ,everyone who attended have gone back with wonderful memories which will stay with them for a very long time.

Friends 'TOGETHER FOREVER' is the theme of our President Sрни for the year, the phrase in itself invokes in one a sense of lasting bonds between individuals, a sense of commitment, loyalty, and love for each other.

The new team has started the term by putting their best foot forward, the NEX meeting, held post the AGM saw a full attendance and the enthusiasm of the new team was evident as all the Area Chairmen, the newly elected head board members and the conveners were well prepared with the plans for the year, the excitement in the room was palpable, our President Sрни was in

his elements, putting forth his ideas and plans for the year.

The big news came within a week of the AGM, we got the 80g exemption, the efforts of the past boards finally paid off and special mention must be made of the last board IPP 41er B.K. Singhdeo along with Treasurer 41er Gopa Kumar for their efforts in giving the final push for this achievement.

This opens up a huge opportunity, for 41ers to go all out for fund raising and activating their corporate connections to generate funds for the various projects planned for the year. FTDE, SYJ Project Drishti are gearing to take off, I am sure you will read more details of the above in this Selfie.

All the areas have completed their COB's and the first area board meets with proper fanfare and gusto ,I had the opportunity of attending the COB, and the AEX meeting of Area 5 at Delhi, the energy of the new team was great ,it was preceded by a couple of projects ,what I saw in Area 5 is seen all over 41 India today ,which is the blend of youth and experience....the young 41ers and the old guards in most of the areas are really charged up,which augurs well for the association.

I take this opportunity to thank all the member clubs for having elected me as the Secretary of the association, on my part I will try my best to continue doing the good work done by my predecessors. The new board is excited about the opportunities and challenges that lie ahead and are committed to take our wonderful movement to newer heights .Your support is crucial in making a positive impact on our society,

On our part we are always available to discuss any plans or queries that you have.

41er Bhupender [Pompy] Singh,

Dear Friends,

As you all are aware that we have got the 80G approval from the Income tax Department and now for all donations received, subject to certain terms and conditions, the donors will be entitled to 50% deduction of the amount donated from their total Income. This will go a long way attracting funds from individuals as well as Corporates and other institutions. With more funds available we can scale up our major projects like SYJ and FTDE.

The formalities to be followed are given briefly for your information

On receipt of any donations our charitable society will have to provide details like Name, Address, PAN, registration number of our charitable society along with name of the donor as well as amount of donation and the mode of payment. Donation in the form of cash receipts are not acceptable unless it is less than Rs. 2000/-. At the end of financial year our charitable society will have to file Form 10BD before 31st May ie within 2 months from the end of a financial year which will contain all the details of donation received. Post filing

Form 10BD, we are required to download and issue certificate of donation in Form 10 BE containing details of the donation received (For the financial year 2023-24 Form 10BD shall be filed before 31st May 2024).

Our auditors have announced us that they will file CSR-1 without any delay. Once that is done we will get our CSR registration number and after that we are allowed to collect donations from corporates and this will enable us to receive huge funds for our charitable activities.

Should you have any further queries or seek more information/clarification you may contact 41er Madhu babu, National Treasurer on 98490 23807 or me personally.

Regards
41er Gopa kumar

41 International Half-Yearly Meet at Pafos - Cyprus

We were an Indian team of 11 heads who attended the HYM Meet at Pafos - Cyprus from 12th to 15th October 2023.

it was a seamlessly organized event filled with Pre-tours, entertainment, exceptional culinary experiences and last but not the least the meets, workshops and IRO/Yap meets. The meticulous planning was evident in every aspect, ensuring a successful and

engaging gathering.

The meeting sessions were informative, covering pertinent topics, and the well-coordinated agenda allowed for effective discussions. The venue's atmosphere and facilities contributed to a conducive environment for networking and collaboration among members. The YAP Meet was highly successful wherein India and Netherlands played a major role

to include the Country of Nepal in the YAP tours. The YAP meet was truly constructive, meaningful and result oriented - India made its presence felt.

Beyond the formalities, the organizers did not overlook the importance of entertainment. The cultural performances and engaging activities added a vibrant touch, fostering a sense of camaraderie among attendees. The diverse range of entertainment options catered to different preferences, creating a memorable experience for everyone.

The culinary aspect of the event was a highlight. The food was not only delicious but also showcased the local flavors of Cyprus. The attention to detail in the menu planning and the quality of ingredients used were commendable. Participants were treated to a gastronomic journey that reflected the richness of Cypriot cuisine.

Overall, the 41ers Half-Yearly Meeting in Cyprus was a resounding success, blending professionalism with a delightful social experience. The combination of a well-organized agenda, engaging entertainment, and outstanding food made it a memorable and enriching event for all participants along with complete fellowship and bonds being strengthened with international friends.

The Man Behind FDTE This Year

41er Anurag Mehra

The "Freedom through Digital Education" (FTDE) initiative led by the 41 India is a commendable effort aimed at leveraging digital technology to improve education and empower students in India. By focusing on children from lower economic backgrounds studying in government or aided schools in rural areas, FTDE is addressing a crucial gap in the education system and working towards making India a global superpower through the development of digitally literate and future-ready citizens.

"Freedom through Digital Education" (FTDE) appears to be a well-

thought-out initiative by 41 India with a clear mission to contribute to India's development as a global superpower.

The key feature of FTDE :

Multilingual Approach : The fact that FTDE follows the State Board Syllabus in various vernacular languages is highly beneficial. This approach ensures that education is accessible and relevant to students in different regions of the country who may have varying linguistic backgrounds. It promotes inclusivity and cultural diversity.

Experiential Learning:

Emphasizing experiential learning through digital tools is a progressive approach. It allows students to actively participate in their education, fostering critical thinking, problem-solving, and creativity. This can lead to a more profound understanding of concepts and better retention of knowledge.

Quality Education:

Providing high-quality digital education tools is essential for the success of the initiative. Ensuring that the content is up-to-date, accurate, and aligned with the State Board Syllabus is crucial to delivering effective education.

Access to Education:

By targeting children from lower economic strata studying in government or aided schools in rural areas, FTDE is addressing a significant educational divide. Improving access to education for these strata of society is essential for social and economic development.

Global Competence:

Developing "digital future-ready smart citizens" is not only about providing technical skills but also about fostering global competence. This includes teaching digital literacy, critical thinking, adaptability, and global awareness to prepare students for the challenges of the 21st century.

Innovation in Education:

The initiative's focus on making education interesting, engaging, and

fun indicates a commitment to innovation in education. This can help break the monotony of traditional teaching methods and

keep students motivated to learn.

National Impact:

By aligning with the goal of making India a global superpower, FTDE is contributing to the nation's human capital development. Well-educated and digitally skilled citizens are a valuable asset for any country's progress.

Cultural Sensitivity:

Adapting to different vernacular languages and regional contexts is important to ensure that education is culturally sensitive and relevant. This approach can help students relate more easily to the content.

Key aspects of FTDE's approach include:

Digital Tools:

Providing high-quality digital education tools is crucial in today's technology-driven world.

The choice of tools provided under FTDE initiative are 55" SmartAndroid Based TV / Android Based LED projector,screen, stand /School in a Box with 40" TV alongwith state board educational software in vernacular language with other digital resources that enhance the learning experience.

Engagement:

Making education interesting and engaging is vital to keep students motivated and eager to learn. By incorporating digital tools and interactive content, FTDE is likely to capture students' attention and maintain their interest in learning.

Accessibility:

Focusing on students from lower

economic strata and those in rural areas is a significant step towards ensuring that education reaches every corner of the country. Improving access to quality education is essential for inclusive growth.

Future-Readiness:

By exposing students to digital tools and technology at an early age, FTDE is helping them become technologically savvy and better prepared for the future job market, which is increasingly reliant on digital skills.

For this initiative,Our Society-Association of 41 Clubs of India shall give a matching grant of 50% of the project cost or Rs. 25000/- , whichever is lower; AND

Rs.15000/- if there are more than one partner involved in the project.

Overall this initiative play a crucial role in bridging the digital divide and enhancing educational opportunities for all equally. By making education more engaging and accessible, it contributes to the nation's progress and help prepare the next generation of Indian citizens to thrive in a digital and globalized world.

To know more about process and application,reachout to your Area FTDE Convenor or yours truly on 41amehra@gmail.com Look forward to an active participation as we Together Forever create digitally empowered children for a better Bharat.

PROJECT PROCESS FLOW

**FREEDOM
THROUGH
DIGITAL
EDUCATION**

LETS MAKE THE WORLD A BETTER PLACE...

We are fortunate to live in a land of rich tradition and culture and this culture resides in the hearts of our people. One traditional value that has been passed through over generations is the value of Gratitude. To illustrate, many in our society keep a small portion outside the plate before starting the meal, this act is a way to show our gratitude to God and Nature and thank them for what we have received.

Taking a cue from our value systems 41 India initiated the SHARE YOUR JOY (SYJ) project based on the principles of Gratitude, Charity and The Happiness in Giving. At SYJ the approach to charity involves thoughtful consideration and a focus on making a positive, sustainable impact.

Our projects have believed that the act of giving without expecting anything in return, is a true source of happiness and fulfilment, it not only brings happiness to the recipients but also to the givers. SYJ projects believe that Community Service serves as a way to support those in need, contributing to positive change and addressing societal issues.

At SYJ donating funds, volunteering time, or offering support creates a never-ending ripple effect of positivity. Witnessing the impact of your contributions on the lives of others brings an indescribable sense of satisfaction. It's in these Share Your Joy moments that we experience the joy of making a difference. These projects allow us to see beyond our immediate world and

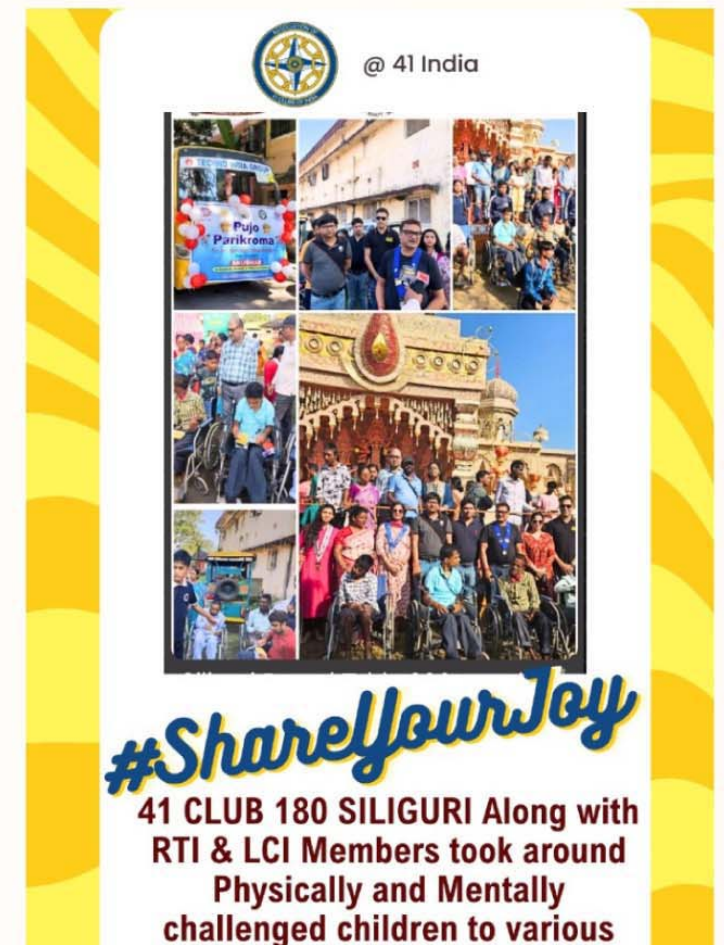

understand the challenges others face.

Many a times we notice the underprivileged engaging in acts of charity, despite their own challenges, showcases the incredible spirit of compassion and generosity... It highlights that kindness and the will to help aren't confined by one's socioeconomic status.

Remember, happiness is not merely in what we acquire for ourselves, but also in what we give to others.

So 41ers lets celebrate our happy moments with the less fortunate in a heart warming way to spread happiness. Enriching lives through kindness is a beautiful way to give back and share life's blessings.

Click a happy picture of your charity project and send it to National SYJ Convener Yogesh Sheth on 9844113750. These pictures will be published in Selfie and in your Area Groups.

A portrait of a middle-aged man with grey hair, wearing black-rimmed glasses and a dark jacket over a light-colored shirt. He is looking slightly to the right of the camera with a neutral expression. The background is blurred, showing warm, golden light.

15th witnessed the arrival of nearly all the participants. The Informal nite in the evening; THE MELA at 'The Bengal Paddle' on the Hooghly was a unique and well organised event, leaving everyone spell-bound. The moment when the barge passed under the Howrah Bridge was a lifetime experience. The Bengal Paddle is a 80 year old heritage paddle boat recently restored to its old glory. It is one of the six imported by the British in 1945.

The NAGM kick started with prelim meetings and discussions of the Khela Hobe Committee, ably led by the convenor 41er Raja Shah and the members Ms. Archana Barma, Bhupinder Singh Sabharwal, Hitesh Dani, Nirmal Agarwal, Michael Rao, Manoj Kedia, Vikram Poddar, Deep Bose, Anil Chaudhury, Gurkirat Ahluwalia, Deven Shah, Ms. Neetu Sabharwal, Ms. Bindu Shah, Ms. Joey Bose, Ms. Kamal Ahluwalia, Ms. Beena Shah, Ms. Shalini Agarwal

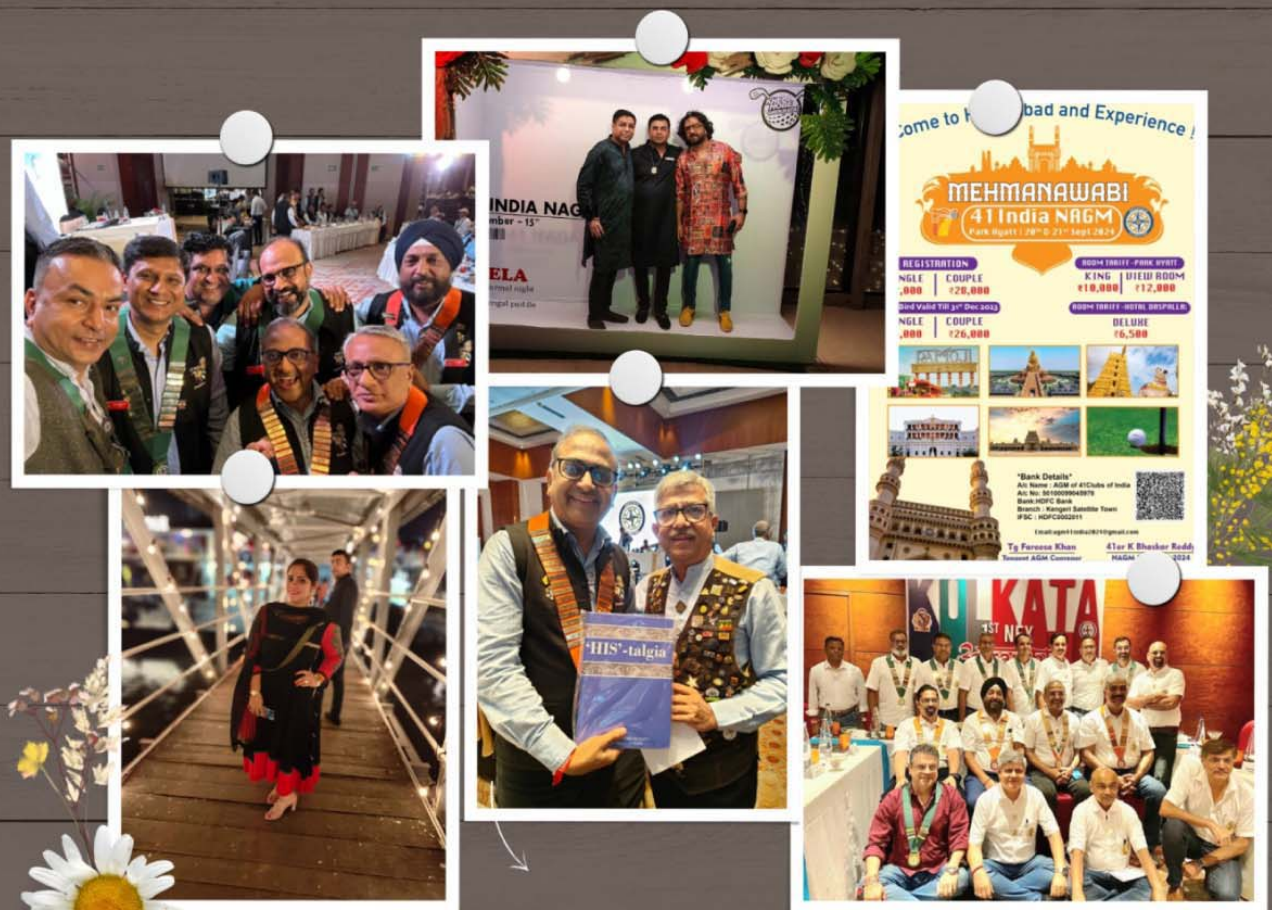

The All India 41ers Golf Tournament handled by 41er Nirmal Agarwal took place on the 14th of September. This event saw many participants from all over India. The evening of 14th saw a cocktail dinner party. This was the first National Golf Championship of 41

The NAGM started on 16th morning. We witnessed glories and brick bats too. The extended NAGM (due to the multitude of motions) got over late in the evening, blending with the Presidents' Banquet shortly after. The high point of the NAGM was the Sergeant's Act by 41er Zishan Ali (Bhubaneswar 163).

The evening banquet had a different dress code for men and women. The entertainment was super with a Belly Dancer as an added attraction. The lavish food spread with choicest cuisines and live counters was just awesome.

Kudos to Team Khela Hobe

8 Days of building up for the penultimate climb where we started the trek from 2800 mts (9300fts) and finally reaching the Everest Base Camp at 5364mts (17600fts).. it's not just these 12 days but the preparation all started 6 months ago. Walking / hiking / trekking through boulders / rough trains / trails and more importantly doing this at that high altitude.

It was a mind-blowing experience.Rajeev Kejriwal @ Everest base Camp Rajesh jain Club 213
