RTI & LCI NAGM | Kolkata

I was invited by RTI President Tr Robin and LCI President Cheryl to attend and address the floor at the NAGM in Kolkata on Dec 22. It was a well organised & conducted NAGM. The meeting, parties reminded me of NAGMs of past. Wonderful opportunity to meet Tablers, make many new & younger friends and meet

41ers as well

Key points in my address to the RTI floor

- Once a Tabler, now a proud 41er. 41 India be the the first choice of organisation to join for the retiring tablers. We will work more closely with the retiring tablers/square legs
- 41ers as brothers don't compete with Tablers. We have it in our Aims & Objects to support & work with Tablers. Our projects too are executed with Tablers/circlers and at FTE schools. Tabling is our blood
- Work together for greater impact - Shared vision and purpose. One More Breath is a great example
- 4 organisations 1 goal: For the the 4 Round Table organisations (RT, LC, 41 India & Tangent) to work together we need to have one common point in our Aims & Objects to capture our shared vision, bonding & purpose

Before NAGM, I had written to President Tr Robin to

- Have a permanent post of Convenor for 41ers on the national board. NVP 41er Chetan has confirmed he is having one on his board.
- To extend all corporate partnership benefits to 41ers (to all 4 organisations). They are

looking into logistics of the same. This significantly improves collective bargaining power of RTI family

4 Organisations 1 Family

On Dec 22, At the RTI & LCI NAGM in Kolkata, Presidents of 4 Round Table Organisations Tr Robin Agarwala, Cr Cheryl Santhosh, 41er Srinivasu Saraswatula and Tgt Nalini Prasad jointly signed a document "Signature of Collaboration". This document underlines shared vision & commitment to work closely to create a deeper impact to the communities we serve and continued celebration of bonds of friendship

YAPs

YAPs outbound names have been announces and each of YAPpers have received the confirmation letter from IRO 41er Vivek Mata. I extend best wishes to all the YAPpers in their life defining trip. May you strengthen the bonds between the the two countries and 41 families. Iw ould like to compliment IRO 41er Vivek Mata on an outstanding job on this activity. You will hear more from him

SYJ Project inaugurations

Sept '23 to Jan '24 we have done XX SYJ projects across the country. These are the

projects close to the hearts of the participating 41ers & clubs. Sincere gratitude to all participating 41ers

On Dec 14, I had the opportunity to inaugurate 2 SYJ projects in Bengaluru. I would like to thank SYJ Convenor 41er Yogesh Sheth and A3 Project convenor 41er Damla Mathews for these projects

- Environment Project at Sahitya School, Dodaballapur - creating a climate school wherein students and teachers are trained to become environment auditors.
- Scholarships for Ayurvedic therapist course at I-AIM institute. This is vocational training for financially challenged women with an assured job on completion of training.

All in all, it was 2 great months of constructive work & travel. Once again, appealing to your generous support in project funding

NATIONAL SECRETARY

From The Desk of 41er Pompy

Greetings from the National Board..!

Friends I would like to present a small brief on the eventful months of Dec/ Jan ... these two months are generally associated with a lot of fellowship happening around , the weather being exceptionally conducive to all activities.

41 India was no exception as reports of super socials poured in from all parts of the country.

In fact we not only had great fellowship, but these two months also saw a lot of community service activity, which left a positive impact on all those who benefited from them.

SYJ, led by Yogesh Seth has been great hit, reports from across areas , showed that 41ers are slowly getting into the groove of community services. Whether it was the Cyclone that ravaged Chennai or various other projects.

The NEX at Bengaluru was well attended and a lot of meaningful discussions were held, AC 3 , Rajaram was a great host all the NEX members had a great time.

MOU's were signed with Digilearn and Oxysmart for the FTDE projects , it got a kickstart when the President inaugurated 10 classrooms at Mysore . With the 80g registration done , funds have started coming in for the execution of various community service projects . Cheers to Anurag Mehra for following up and diligently

closing the deals with the vendors.

On a personal note , I had the opportunity to interact with the Tangent International President Jayashree and Tangent India President Nalini during their visit to Bhubaneswar, then I got an opportunity to visit Tumkur after the NEX at Bengaluru and enjoyed the super hospitality of Bharateesha and the Tumkur team.

The national board members visited our Chennai Secretariat, President Srini, NVP Pankuj , Treasurer Madhubabu and I reached Chennai, where our NST convenor Apoorva Modi and AC Ganesh Kini received us , we spent a very fruitful time , and a lot of activities of the secretariat were streamlined, the evening saw us attending a Chennai City 41ers meet, where we met quite a few Chennai 41ers.

The next day saw us driving to Pondicherry to attend a joint meeting and social of the Pondy 41ers, great hospitality, it was great to meet Prem Raja after a very long time.

With MTM season about to begin, looking forward to attend the second edition of HOWZAAT , which started last year at Bhubaneswar, looking forward for more fellowship and meaningful interaction with all the 41ers.

Exploring Cultural Bridges

"Exploring Cultural Bridges: 41 India Yappers Embrace Exchange Programs in Europe, UK and South Africa"

In recent years, there has been a noticeable surge in Yappers applying for exchange programs across South, North Europe, UK and South Africa marking a positive trend and it justifies to our 41 India flagship yearly event. These programs offer Yappers a unique opportunity to immerse themselves in diverse cultures, gain social experiences, and foster lifelong friendships.

It immerses them with cross-cultural

41er Vivek Mata

communication skills, adaptability and independence. From exploring historical landmarks to sampling local cuisines - it really broadens their horizons. With the experience they gain, it also comes with its challenges like adapting to local food, home sickness etc. However, the outcome is always a positive one since they start oozing confidence.

This year ie: 2024, 41 India sends 29 Yappers to Europe, UK and South Africa - tour starts from 9th June and goes until August with South Africa being the last tour

Simultaneously, we are preparing ourselves for INBOUND Tour which starts from 14th July onwards with South and North India tours. Once again we have chosen new cities/towns for the inbound yappers to visit in South and North of India

Happy Yapping and Cheers !!!

Howzaat : The journey so far

we have had 3 editions of Howzaat till now & the 4th to be played in February

1st In Coimbatore

2nd in Hyderabad

3rd in Bhubaneswar

4th happening in Ahmedabad

The Conceptualization

Conceptualized as THE 41ers Howzaat tournament by Zishan Ali

It all began when IPP Bugida asked me what responsibility I would like to have on his board, the obvious answer was Cricket Convenor, besides the love of the game and the fellowship that comes with it another important reason was the reluctance of a lot of 41ers in participating in Jaffa, primary due to the fitness issues and not at all the skill part, plus with RTI Area teams getting semi pros into Jaffa was also something not welcome by most of us.

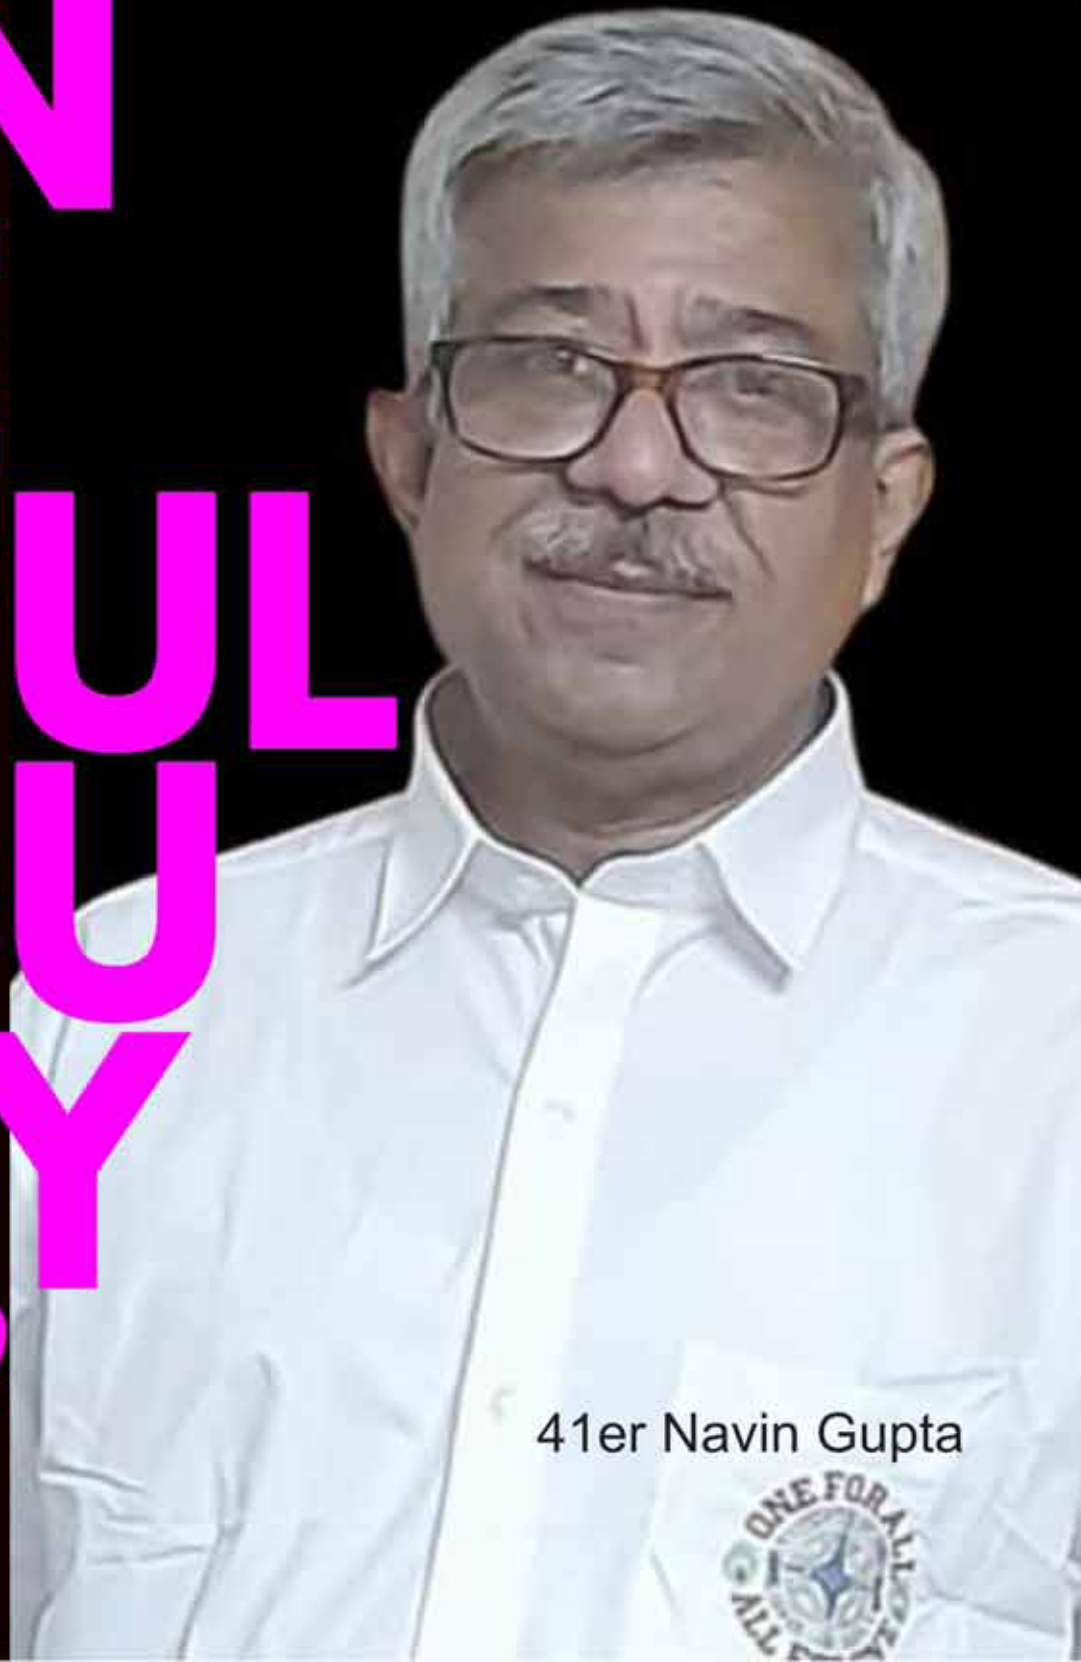

In fact there were two 41ers exclusive Howzaat organized with great effort in Coimbatore & Hyderabad which were appreciated by all. Having said all this my first thought was to make it a grand event, second to none and in an slightly less

hectic environment, in other words, the idea was to set the ball rolling and make Howzaat 3 an event with its own buzz and equity, something the association members will look forward each year and with the cooperation and support of IPP and my team at Bhubaneswar as well as all the participating teams as well as the past Area Chairmen, we did indeed achieve this objective.

I really hope that Howzaat 4 at Ahmedabad will carry the momentum and buzz of last year to greater heights and this event shall keep scripting new chapters of fun, fellowship & cricket for years to come. Wishing Ruchir & his team all the best and looking forward to some kickass action both on & off the field.

Cheers Gentlemen
Zishan Ali

Once A Tabler, Now A Proud 41er

Dear friends

Happy Birthday E W Louis Marchesi, father of RTI. The man who gave us the Tabling platform to meet and enjoy our brotherhood

We have all spent long years in the tabling family. As tablers, square legs and 41ers. We have made new friends across the country & around the world and enjoyed the bonding over the years. It has been a family movement. We had Ladies Circle and Twinklers to compliment and everyone was involved in socials, fellowships & outbounds. Through LAPDs and personal sharings we learnt and grew as individuals & professionals. We contributed to Nation building through our long term project Freedom Through Education (FTE) with profound impact on the society & communities around us.

Good Spirits, Great Vibes & Excellent Work. God Bless

We turn 40 and retire from Round Table. Logical extension is 41 India, where the brotherhood & fellowship continues

Here is an invite for all retiring tablers to join the 41er movement. So, Why join 41 India?

Once a Tabler, Now a Proud 41

41ers are Tablers over 40 years of age. They carry the same tabling DNA and spirit. It's an opportunity to continue the friendship & bonding of Tabling days through the rest of our life. Same spirit with a dash of some gray hair. It's a life long membership. We work with & support Tablers and their projects - as enshrined in our Aims & Objects.

Our children go on a 21 day international home hosted trip across Europe, South Africa, GB&I as part of Young Ambassadors Program (YAP) - a transformative experience. We also get to have fun traveling across the World on 41 International AGMs & other events

As 41ers we are more settled in our business & personal life. We are all set to enjoy life and contribute more to society. 41ers are now working on a long term project - Freedom Through Digital Education. We provide digital education tools in FTE & government schools. As we move into our Golden years we need friends more than ever. Who better than Tabler friends!! Our spouses can join Tangent India movement

To all square legs and retiring Tablers, let 41 India be your logical choice of organisation to join. We look forward to welcoming you. We are 3650+ 41ers across 262 Clubs in 80+ cities

Come Home to your brothers for lifelong fun, fellowship & community service. Together Forever

Connect with a 41ers, Area Chairman or National Extension convenor 41er Satya 9848020202

Once A Tabler, Now A Proud 41er

Extension is one of the focus areas of National President. 41 India is a logical extension for any retiring Tabler to continue the friendship & fellowship of tabling days apart from service to communities & the Nation. We however lose many retiring Tablers who do not join our organization

“Once a Tabler, Now a Proud 41er” is a theme National President Srin had introduced at the RTI NAGM in Kolkata last Dec to highlight the benefit of being a 41er - lifelong fellowship & service.

He has shared the letter being sent to all the retiring Tablers and sq legs to bring them into our fold. He also urges each one of us to share this with our Sq leg friends. May our 41er tribe grow. May the hinges of our friendship never rust.

For any details & help of material, please contact National Extension convenor Satya, RTI Convenor Kishan, your Area Chairman or National President Srin.
